Body Skin Challenges

Dryness & Discomfort

Loss of moisture

Feels tight, taut, and uncomfortable

May be itchy or feel irritated.

KEY CAUSES OF DRYNESS

- Internal factors like not drinking enough water
- External factors like heat and cold, wind, or dry air
- Natural factors like genetics and aging

TURN IT AROUND

Moisturize your body skin regularly to feel comfortable, smooth, and soft all over.

Body Skin Challenges

Aging and a Healthy-Looking Appearance

Looks dull and lack luster

Appears red, patchy or crepey

Feels rough and flaky

TURN IT AROUND

Be sure to create a "skincare routine" that includes all of your skin—head to toe.

Body Skin Challenges

Hygiene & Odor

Smells bad
With microorganisms

Proper hand washing with soap and water, or sanitizing with hand sanitizer, are proven ways to minimize the spread of *germs*.

Proper cleaning and care can create a better balance and reduce *odor*.

TURN IT AROUND

Use a good soap or cleanser all over your body, to minimize bacteria, protect skin, and reduce odor.

Protected Skin Peace of Mind

Body care that harnesses plant-based goodness for healthy-looking skin from the outside in.

Goodness For All

Look and feel good in the skin you're in with the help of our clean formulas, rich botanical fragrances and sustainably sourced ingredients grown on Nutrilite™ farms and partner farms.

The Traceable Story of G&H™ Body and Baby Care

8 ways we create sustainable products

Our ingredients are consciously selected, and we strive for more eco-conscious packaging, creating more sustainable products that empower our customers to live responsibly.

Biodegradable Legacy

Sustainable products have been part of our portfolio since 1959, beginning with Liquid Organic Cleaner (L.O.C.), one of the world's first biodegradable cleaners.

Sustainable Farming Principles

We embrace organic and regenerative farming on our Amway farms, cultivating potent and healthy ingredients for some of our products.

Powerful Eco-Conscious Formulas

Our laundry and dish formulas are phosphate-free, cold water-effective, and use plant derived ingredients wherever possible.

Safer Choice Recognition

Many formulas in the Amway Home and Legacy of Clean lines have been formulated to meet and maintain the U.S. EPA's Safer Choice criteria.

"NO" List of Harmful Ingredients

Over 1,700 ingredients are never used in our Artistry Skin Nutrition and g&h™ products.

Transparency through Traceability

From seed to final product, we require meticulous documentation of botanical ingredient quality and processes.

Reducing Packaging Waste

Artistry Skin Nutrition eliminated 21% of its plastic use globally and reduced its annual plastic use by 288,047 lbs¹ – all without compromising on product quality or quantity.

Using Recycled Content

g&h™ baby lotion and body wash bottles are made with 30% post-consumer recycled plastic.²

¹Compared to Artistry Hydra-V, Artistry Youth Xtend, Artistry Youth Xtend Ultra and Artistry Ideal Radiance skincare lines

²Applies to g&h™ products produced in Ada, Michigan, USA, and g&h™ baby products produced in Korea

HOW TO SELL
